FULL POLICY

Types of Data collected
Among the types of Personal Data that this Application collects, by itself or through third parties, there are:
Cookies; Usage Data.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.
Personal Data may be freely provided by the User; or, in case of Usage Data, collected automatically when using this Application.
Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.
Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.
Any use of Cookies – or of other tracking tools – by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application and confirm that they have the third party’s consent to provide the Data to the Owner.

Mode and place of processing the Data
Methods of processing
The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.
The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

Legal basis of processing
The Owner may process Personal Data relating to Users if one of the following applies:
- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing
(“opt-out”), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;

- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

**Place**
The Data is processed at the Owner’s operating offices and in any other places where the parties involved in the processing are located.

Depending on the User’s location, data transfers may involve transferring the User’s Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

**Retention time**
Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner’s legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.
Once the retention period expires, Personal Data shall be deleted. Therefore, the right of access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

**The purposes of processing**
The Data concerning the User is collected to allow the Owner to provide its Service, comply with its legal obligations, respond to enforcement requests, protect its rights and interests (or those of its Users or third parties), detect any malicious or fraudulent activity, as well as the following: Analytics, Handling payments, Displaying content from external platforms and Advertising.

For specific information about the Personal Data used for each purpose, the User may refer to the section “Detailed information on the processing of Personal Data”.

**Detailed information on the processing of Personal Data**
Personal Data is collected for the following purposes and using the following services:

- **Advertising**

  This type of service allows User Data to be utilized for advertising communication purposes. These communications are displayed in the form of banners and other advertisements on this Application, possibly based on User interests.
  This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below.
  Some of the services listed below may use Trackers to identify Users or they may use the behavioral retargeting technique, i.e. displaying ads tailored to the User’s interests and behavior, including those detected outside this Application. For more information, please check the privacy policies of the relevant services.
  Services of this kind usually offer the possibility to opt out of such tracking. In addition to any opt-out feature offered by any of the services below, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section “How to opt-out of interest-based advertising” in this document.

  **Microsoft Advertising (Microsoft Corporation)**

  Microsoft Advertising is an advertising service provided by Microsoft Corporation.
  Personal Data processed: Cookies; Usage Data.

- **Analytics**

  The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

  **Google Analytics (Google Ireland Limited)**

  Google Analytics is a web analysis service provided by Google Ireland Limited (“Google”). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.
Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

Personal Data processed: Cookies; Usage Data.

**Facebook Ads conversion tracking (Facebook pixel) (Facebook Ireland Ltd)**
Facebook Ads conversion tracking (Facebook pixel) is an analytics service provided by Facebook Ireland Ltd that connects data from the Facebook advertising network with actions performed on this Application. The Facebook pixel tracks conversions that can be attributed to ads on Facebook, Instagram and Audience Network.
Personal Data processed: Cookies; Usage Data.
Place of processing: Ireland – Privacy Policy.

- **Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.
This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

**Google Maps widget (Google Ireland Limited)**
Google Maps is a maps visualization service provided by Google Ireland Limited that allows this Application to incorporate content of this kind on its pages.
Personal Data processed: Cookies; Usage Data.
Place of processing: Ireland – Privacy Policy.

- **Handling payments**

Unless otherwise specified, this Application processes any payments by credit card, bank transfer or other means via external payment service providers. In general and unless where otherwise stated, Users are requested to provide their payment details and personal information directly to such payment service providers. This Application isn’t involved in the collection and processing of such information: instead, it will only receive a notification by the relevant payment service provider as to whether payment has been successfully completed.

**Stripe (Stripe Inc)**
Stripe is a payment service provided by Stripe Inc.
Personal Data processed: various types of Data as specified in the privacy policy of the service.
Place of processing: United States – Privacy Policy.

**PayPal (PayPal Inc.)**
PayPal is a payment service provided by PayPal Inc., which allows Users to make online payments.
Personal Data processed: various types of Data as specified in the privacy policy of the service.
Place of processing: See the PayPal privacy policy – Privacy Policy.

**Information on opting out of interest-based advertising**
In addition to any opt-out feature provided by any of the services listed in this document, Users may learn more on how to generally opt out of interest-based advertising within the dedicated section of the Cookie Policy.
Sale of Personal Data

We do not sell lists of members. We do not sell your personal health information to any party. We do not provide any information to pharmaceutical companies.

Privacy Rights and Jurisdiction-Specific Notices

Certain jurisdictions have specific legal requirements and grant privacy rights with respect to personal information, and we will comply with restrictions and any requests you submit as required by applicable law. For example, you may have the right to review, correct, and delete personal information we have about you, or to consent or withdraw consent to certain uses or sharing of personal information. You also have the right not to be discriminated against for exercising your privacy rights. If you are a California resident, see the California-specific section below. If you are not a California resident and you seek to exercise your rights under the law of another jurisdiction, please contact us by using the contact information in the “Contact Information” section above.

Please note that, when you make a request, we may require that you provide information and follow procedures so that we can verify your identity (and the applicable jurisdiction). The verification steps we take may differ depending on your jurisdiction and the request. Where possible, we will attempt to match the information that you provide in your request to information we already have on file to verify your identity. If we are able to verify your request, we will process it to the extent we are so required under applicable law. If we cannot verify your request, we may ask you for additional information to help us do so.

We will respond to your request within the time period required by applicable law. However, we may not always be able or required to comply with your request, in whole or in part, and we will notify you in that event.

California

Under the California Consumer Privacy Act, as amended by the California Privacy Rights Act (the “CCPA”), California residents have specific rights regarding their personal information. This section describes Californians’ rights and explains how California residents can exercise those rights. Any terms defined in the CCPA have the same meaning when used in this Privacy Policy.

What We Collect & How We Use Information We Collect

During the last twelve (12) months, we have collected the following categories of personal information from consumers depending on how a consumer uses our Services.

Please see our Cookie Policy for information about the collection and use of personal information by third-parties who process information collected by cookies and related technologies that we permit them to use on the Site.

Although we do not sell personal information in exchange for money, some of the ways in which we share personal information for advertising or marketing may be considered “sales” under California laws. Please see chart below.

Rights Specific to California Residents

Under the CCPA, a California resident has the following rights: (1) to request additional information about our data collection, use, disclosure, and sales practices in connection with your personal information; (2) to request the specific personal information collected about you during the previous 12 months; (3) to request the deletion of the personal information we have about you, with exceptions; (4) to request a restriction on certain processing of personal information; (5) to request correction of inaccurate information; and (6) to opt-out of the selling or sharing or personal information, as defined by the CCPA. You may not be discriminated against for exercising your California privacy rights. You may submit a request to exercise your rights under the CCPA through one of two means:

1. Email us at support@scan.com.
2. Call 470-447-0889 to submit your request.

Please note that you may only make a CCPA-related data access or data portability disclosure request twice within a 12-month period.

Upon receiving your request, we will confirm receipt of your request by email. To help protect your privacy and maintain security, we may take steps to verify your identity before granting you access to the information. In some instances, such as a request to delete personal information, we may first separately confirm that you would like for us to in fact delete your personal information before acting on your request. If you choose to contact directly by email, you will need to provide us with:

- Enough information to identify you (e.g., your full name, address and customer or matter reference number);
- Proof of your identity and address (e.g., a copy of your driving license or passport and a recent utility or credit card bill); and
- A description of what right you want to exercise and the information to which your request relates.

3. We are not obligated to make a data access or data portability disclosure if we cannot verify that the person making the request is the person about whom we collected information, or is someone authorized to act on such person's behalf.

4. Any personal information we collect from you to verify your identity in connection with you request will be used solely for the purposes of verification.

5. We aim to respond to your request as soon as reasonably practicable and consistent with any applicable laws. If we require more time, we will inform you of the reason and extension period in writing. You may authorize another individual or a business registered with the California Secretary of State, called an authorized agent, to make requests on your behalf through these means.

Cookie Policy

This Application uses Trackers. To learn more, the User may consult the Cookie Policy.

Additional information about Data collection and processing

Legal action

The User’s Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.
The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

**Additional information about User’s Personal Data**
In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

**System logs and maintenance**
For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) use other Personal Data (such as the IP Address) for this purpose.

**Information not contained in this policy**
More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

**How “Do Not Track” requests are handled**
This Application does not support “Do Not Track” requests. To determine whether any of the third-party services it uses honor the “Do Not Track” requests, please read their privacy policies.

**Changes to this privacy policy**
The Owner reserves the right to make changes to this privacy policy at any time by notifying its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User’s consent, the Owner shall collect new consent from the User, where required.

**HIPAA and Protected Health Information**
We are not a covered entity under the U.S. laws and implementing regulations commonly referred to as HIPAA or the Health Insurance Portability and Accountability Act of 1996. For certain current or future functions of the Application, We may function as a business associate to a covered entity under HIPAA. When functioning as a business associate, We comply with additional safeguards under HIPAA for your protected health information that We create, receive, or maintain. Your rights with respect to such protected health information are governed by HIPAA and the covered entity’s Notice of Privacy Practices.
Children
We do not knowingly collect or maintain Personal Data from persons under 13 years old, and no part of the Application is directed to persons under 13. IF YOU ARE UNDER 13 YEARS OF AGE, PLEASE DO NOT USE OR ACCESS THE APPLICATION AT ANY TIME OR IN ANY MANNER. If We learn that Personal Data of persons less than 13 years old has been collected without verifiable parental consent, then We will take the appropriate steps to delete this information. If you are a parent or guardian and discover that your child under the age of 13 has obtained an account on the Application, then you may alert Us at the address above and request that We delete that child’s Personal Data from Our systems.

Definitions and legal references

Personal Data (or Data)
Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

Usage Data
Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server’s answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User’s IT environment.

User
The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

Data Subject
The natural person to whom the Personal Data refers.

Data Processor (or Data Supervisor)
The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

Data Controller (or Owner)
The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application
The means by which the Personal Data of the User is collected and processed.

Service
The service provided by this Application as described in the relative terms (if available) and on this site/application.

Cookie
Cookies are Trackers consisting of small sets of data stored in the User’s browser.

Tracker
Tracker indicates any technology - e.g Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - that enables the tracking of Users, for example by accessing or storing information on the User’s device.

**Legal information**

This privacy policy relates solely to this Application, if not stated otherwise within this document.
